

# CHECK YOUR TRUCK.

## AT THE WHEEL, ACROSS THE COUNTRY.

When it comes to using your truck's smarts, flexibility is important. Use the dashboard SYNC<sup>3</sup> 4 screen or the FordPass<sup>SM</sup> App with FordPass Connect<sup>1</sup> to control complimentary remote features<sup>2</sup> like start/stop, lock/unlock, scheduling a start, locate vehicle and vehicle health. The app gets even smarter with available Zone Lighting controls and towing-specific features like Trailer Light Check and Trailer Theft Alert.

**XLT SUPERCREW<sup>4</sup> 4x4<sup>4</sup>, Race Red.** Available equipment.

<sup>1</sup> FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular network's vehicle capability may limit functionality and prevent operation.

#### NEW ZONE LIGHTING

With available Zone Lighting, you decide when the day is over – not the sun. Activate up to four<sup>3</sup> perimeter lighting zones to shed some light on whatever you're doing with a tap.

#### NEW TRAILER LIGHT CHECK

Available Trailer Light Check runs a test pattern for your truck lights with a tap. Your turn signals, brake lights and reverse lights will turn on and repeat 5 times so you can make sure everything works before hitting the road.

#### NEW TRAILER THEFT ALERT

This available feature guards your trailer while your truck is parked. FordPass can send a real-time alert to your App if the wiring harness is disconnected while the alarm is active.

of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms. Is available via download. Message and data rates may apply. <sup>2</sup> Remote start and remote lock/unlock require power door locks. <sup>3</sup> Number of lighting zones depends on vehicle configuration.

# OPEN FOR BUSINESS.

## GET MORE DONE WITH YOUR NEW MOBILE OFFICE.

The 2021 Ford F-150<sup>®</sup> pickup is a tool to be reckoned with. And now, we expand the range of utility inside the truck with the available Interior Work Surface. There are 2 styles ready to go anytime your truck is parked. The first can equip the available flow-through center console. Its lid unfolds to reveal a generously sized work surface. It can open completely flat because the motorized shifter moves out of the way at the touch of a button. The second can equip the 40/20/40 front bench. Fold the center seat down, and the Interior Work Surface slides forward and swivels into position. Combine the Interior Work Surface with your smartphone, SYNC<sup>®</sup> 4<sup>1</sup> and the FordPass<sup>™</sup> App,<sup>2</sup> and you're definitely in business. (Neon "OPEN" sign not included.)

**KING RANCH<sup>®</sup> SUPERCREW<sup>™</sup> 4x4.** Nottas/Mesa Antique Afflict Del Rio leather seats with vinyl piping. Available equipment.

<sup>1</sup> Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. <sup>2</sup> FordPass App. Compatible with select smartphone platforms. Is available via download. Message and data rates may apply.

**MOTORIZED, STOWABLE SHIFTER**  
A clever, available solution to give the center console-mounted available Interior Work Surface room to open.

**40/20/40 FRONT BENCH INTERIOR WORK SURFACE**  
Available on XL, XLT and LARIAT in all cabs equipped with a front bench seat.

# TOUGH

## TRIED AND TRUE.

Built Ford Tough® values are the ties that bind the doers of the world to the trucks that get things done. It motivates the creativity of our designers, the ingenuity of our engineers, and affects nearly every component, part and assembly that go into Built Ford Tough trucks. It's the call to test our trucks to the limit, and the duty to deliver trucks that stand the test. It spans millions of miles over the decades, and it's helped make F-Series® America's best-selling trucks for 43 years. Put one to the test and discover what Built Ford Tough means to you.

**XL SUPER CAB™ 4x4**, Velocity Blue Metallic. Available STX® Package. Available equipment. (Max. Payload 2,240 lbs. when properly equipped with 5.5' box and available 5.0L V8 engine.)  
**1.** Best-selling trucks for 44 years based on 1977-2020 CY total sales. **2.** 6,000+ series aluminum alloy. **3.** Max. payload of 3,325 lbs. on Regular Cab 8' box 4x2 with available 5.0L

### THE RUGGED FRAME

Fully boxed, with 8 muscular crossmembers and large, cross-section frame rails. Comprised of high-strength steel, it's electrocoated with a durable protective shell that helps inhibit rust.

### THE BODY AND BOX

Constructed of high-strength, military-grade, aluminum alloys,<sup>1</sup> the panels are hardened through heat treating for even greater strength. Plus, the aluminum alloy body and box don't rust and resist corrosion.

### LONG, WIDE REAR LEAF SPRINGS

Their length helps increase spring life for the long haul, and the rear spring bushings have been tuned with ride quality in mind. Spring width helps stabilize axle control, while balancing ride smoothness with best-in-class payload capability.<sup>3</sup>

### CRASH ENERGY MANAGEMENT

A masterful mix of high-strength, military-grade aluminum alloys work with the high-strength-steel frame structure to manage crash/crush energy into the F-150 passenger compartment in certain front, side and rear impacts.

<sup>1</sup> V8 engine and available Max, Trailer Tow and Heavy-Duty Payload Packages (not shown). Max. payload varies and is based on accessories and vehicle configuration. See label on door jamb for carrying capacity of a specific vehicle.

Active Drive Assist is a trademark of Ford Motor Company. 4. Navigation services, or a 5-year trial of built-in navigation services that begin on the new vehicle warranty start date. Customers must not unlock the navigation service trial by activating the complimentary vehicle with a FordPass member account. If not subscribed by the end of the complimentary period, the navigation service will terminate, or depending on vehicle, the built-in connected navigation service will terminate. Built-in navigation system will revert to embedded navigation after termination. Connected navigation services require a compatible smartphone and internet connection. 5. Requires cellular networks/vehicle capability may limit functionality and prevent operation of connected features. FordPass App, compatible with select smartphones and operation of hands-free via download. Message and data rates may apply. 6. Active Drive Assist is a hands-free highway driving feature. The Active Drive Assist Prep Kit contains the hardware required for this feature. Software for the feature will be available for purchase at a later date. Active Drive Assist functionality expected 3rd quarter 2021/21. Separate payment for feature software required to activate full functionality at that time.

## OVER-THE-AIR UPDATES

From new features to minor software enhancements, we can continuously keep your truck on the forefront of technology. Over-the-Air Updates<sup>1</sup> are automatically delivered directly to your vehicle via standard FordPass™ Connect or Wi-Fi.<sup>2</sup> We make sure your truck has the very latest without missing a beat.

4. Includes a 3-month All Access trial subscription. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [www.siriusxm.com](http://www.siriusxm.com). All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. Satellite and streaming lineups vary slightly. 5. FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular network's vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply.

#### New Vehicle Limited Warranty.

We want your Ford F-150® ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage - all with no deductible. F-150 unique electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of these limited warranties.

#### Ford Credit<sup>2</sup> Get the ride you want.

Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at [ford.com/finance](http://ford.com/finance).

#### Roadside Assistance.

Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

#### Ford Protect™ Extended Service Plans.

Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

#### Ford Insure.

Insurance that lets you earn discounts for safe driving, offering a maximum discount of 40% off your auto insurance. Ford Insure works with your 2021 F-150 to gauge driving habits and calculate a discount based on how you drive. Visit [www.fordinsure.com](http://www.fordinsure.com) to learn more.

#### American Road Services Agency LLC is the licensed insurance agency offering Ford Insure and is underwritten by Nationwide Mutual Insurance Company and affiliates. Home Office: Columbus, OH. Ford Motor and Ford Credit are not insurance companies or agents. Subject to underwriting guidelines, review and approval. Details and availability varies; program criteria differ in California. Discounts do not apply to all coverage elements; actual savings vary by state, coverage selections, rating factors and policy changes.

#### Ford Original Accessories.

They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty.

#### Ford Licensed Accessories (FLA)

are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

#### EPA-ESTIMATED RATINGS

From day one, we had the future in mind. And over 117 years later, we continue that tradition of innovation with Ford Co-Pilot360™ helping push us closer to autonomous driving, the latest generation of SYNC® to communicate untethered and our first fully electric vehicle – Ford Mustang Mach-E®.

We've always had our mind on the future. Now we're building it.

**Download the FordPass App today.**

**1.** Remote start and remote lock/unlock require power door locks. **2.** FordPass Connect, the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. FordPass App, compatible with select smartphone platforms, is available via download. Message and data rates may apply. **3.** Modem must be activated within 60 days of purchase through the FordPass App on a smartphone and remain active for at least 6 months after activation. Buyers of non-modem-equipped vehicles will also receive Points for complimentary maintenance after enrollment. Visit a participating dealer for details or go to FordPassRewards.com. **4.** Roadside assistance is included for certain owners and available to everyone for a per-service fee.
